The Golden State Versatility Ranch Horse Association (GSRVHA) is an affiliate member of the Western States Versatility Ranch Horse Association (WSVRHA) and the National Ranch and Stock Horse Alliance (NRSHA). We are a 501(c)(4) organization. We are dedicated to preserving the western heritage of the versatile ranch horse and expanding our membership and partners.

We offer a full slate of GSRVHA & WSVRHA approved versatility ranch horse classes providing a place for exhibitors and horses of all ages and experience levels to practice and compete for prize money and awards. In fact, we have members whose ages range from 5 to 80+ years young. We strive to give spectators, owners, and exhibitors the best horse show experience possible. In addition, we seek to promote the development, athletic ability, intelligence, and versatility of the western ranch horse through participation and competition in five events: Ranch Riding, Ranch Trail, Ranch Cutting, Ranch Reined Work, Ranch Cow Work.

The GSRVHA and WSVRHA owe their longevity and growth to its generous members, businesses, and individual sponsors. Your sponsorship makes it possible for GSRVHA to continue to hold these shows at the finest facilities throughout California. In addition, we are able to provide cash prizes and high-quality awards and scholarships for our youth competitors. Your sponsorship is key to our mission.

Who We Are

The Golden State Versatility Ranch Horse Association is proud to be an affiliate of the Western States Versatility Ranch Horse Association and a founding member of National Ranch and Stock Horse Alliance.

Our Mission, Vision & Values

Our Mission is to promote and educate. In order to achieve this, we provide clinics and competitions. We have worked to develop a program that will have the ability to be creative and innovative and still maintain the integrity of the Versatility Ranch Horse Competition, which requires an all-around well-trained horse that excels in multiple events.

We seek to promote the development, athletic ability, intelligence, and versatility of the western ranch horse through participation and competition in five events: Ranch Riding, Ranch Trail, Ranch Cutting, Ranch Reined Work and Ranch Cow Work.

We seek to educate those who ride, produce, and admire these horses.

We intend to provide education and competition that is always in the spirit of safety, fun, and continuous learning.

Our events will be produced with the needs of riders at all levels always in mind, from youth and novice through advanced and open levels. We strive to do so while maintaining the highest level of integrity, both toward competition and toward our ideals regarding the true, working versatile ranch horse.

Where We Are Going

The popularity of the Ranch Horse is booming across the country and our association feels extremely privileged to link arms with other associations and companies that are dedicated to preserving the history, culture and versatility of the American ranch horse. We strongly support the mission of developing a horse that can handle livestock as the primary goal of our alliance. We are very optimistic about the future of versatility ranch and stock horse industry, and we are eager to see what is next! We hope you will join us in our endeavor!

We also invite you to bring the horse you have, come for the day or the weekend and see what the fun is all about!
